Directions to conference site:

The conference hotels (Quality Inn, Holiday Inn, Hampton Inn, Comfort Inn) are located on the Eastern Bypass west of Interstate 75 (I-75), off exit 87. (The Eastern Bypass is perpendicular to I-75.) These are the only hotels serviced by the shuttles.

Other hotels (Super 8, LaQuinta) are located off exit 90 on I-75. In addition, some conference participants may wish to stay several miles south of Richmond at the Historic Boone Tavern in Berea. Participants will need their own cars, or taxis, to get to the conference venue, though some may wish to walk the 2.4 miles from the non-conference Richmond hotels to the Crabbe Library.

A map of the campus is available, with enlargement options, at http://dualcredit.eku.edu/richmond-campus-map. We also include the enlarged map on the webpage.

We ask that participants use the shuttle service from the conference hotels. For those wanting to park their car, the commuter lot in the Alumni Coliseum parking lot is available. DO NOT PARK IN THE FACULTY AREA (marked with a yellow sign designed “E”), as you may be towed. The Alumni Coliseum parking lot is clearly marked on the map. It resides along the Eastern Bypass. To get to the Alumni Coliseum parking area from the conference hotels, turn right onto the Eastern Bypass, and pass over I-75. Continue on past numerous gas stations and restaurant chains; when you come to the stoplight at Lancaster Avenue, you will see a stone marking Eastern Kentucky University on the farther left corner. Continue on Eastern Bypass, and the next left is the Alumni Coliseum parking lot. (On the map below, the Eastern Bypass is the left-most vertical road.)

The conference is located in the Crabbe Library, which is an easy walk from the Alumni Coliseum. The library is marked #49 on the map. Shuttles will drop participants outside the Crabbe Library. In addition, there are several handicapped spaces outside the library area. Please be sure to contact us if you require assistance.

PLEASE be sure to walk in the crosswalks on campus.

For those who require a Starbucks latte or cappuccino, there is a Starbucks located in the building marked #34 on the map. There is also a coffee shop in the library. Remember, though--coffee and tea will be served to conference participants in or just outside conference rooms.

The Crabbe Library rooms and the Noel Studio rooms are in the Crabbe Library, #49 on the map. The Crabbe Library is next to the Combs building.

The Powell Building, where you may wish to purchase lunch (on Thursday) or dinner, is #36 on the map, two buildings below Combs. The dining area is on the top floor.
