

## **Conference Location**

We are having the conference in the **Perkins Building**, 4436 Kit Carson Drive, which is east southeast of the conference hotels. If you are driving, you can park next to the Perkins Building—that area is not monitored, and all are welcome to park there.

A map of the campus is available, with enlargement options, at <http://dualcredit.eku.edu/richmond-campus-map>. The Perkins Building is #4 on this map. However, a better way to find it is to put in “Perkins Building, Richmond KY” on [maps.google.com](https://maps.google.com), where it is easily locatable.

For those who require a Starbucks latte or cappuccino, there is a **Starbucks** a short walk from the Quality Inn. Remember, though--coffee and tea will be served to conference participants in or just outside conference rooms.

The **Stratford Building**, which is across the road from the Perkins Building, has a lunch space.

The **Powell Building**, where you may wish to purchase **dinner**, is #36 on the map, two buildings below Combs. The dining area is on the top floor, and the shuttle can take you there and back, although walkers will be glad to know it is only 8/10 of a mile from Perkins to Powell.

## **Transportation before, during, and after the conference**

There is an **airport shuttle** from the Lexington Bluegrass Airport to the conference hotels. There is a \$10 round trip charge. If you only use it one-way, the charge is still \$10. Please provide airport information when you register for the conference **if you need to be picked up or returned**. If you are renting a car at the airport and do not need to be picked up or returned, there is not need to provide airport information. Should you need to arrive at either the Northern Kentucky-Cincinnati Airport, or the Louisville Airport, please also provide that information as well, and we will organize transportation (there is a relatively small fee here as well). Note that the bus service attempts to minimize travel expenses, so you may have to wait a while for other travelers to arrive.

Kentucky River Foothills is providing shuttle service from hotels to the conference and to all events during the conference. There is no extra fee for this service., which is included in the registration fee.

## **Conference hotels**

The conference hotels are the Best Western, Quality Inn, and Comfort Suites. All three are located off I-75, exit 87. The Best Western is located on the east side, and the Quality Inn and Comfort Suites are located on the west side, near the Starbucks. These are the only hotels serviced by the shuttles. These hotels are between 1.5-2 miles from the Perkins Building, where the conference is being held.

Other hotels (Super 8, La Quinta, Red Roof Inn) are located off exit 90 on I-75. In addition, some conference participants may wish to stay several miles south of Richmond at the Historic Boone Tavern in Berea. From these non-conference hotels, participants will need their own car, or a taxi, to get to the conference venue.

We ask that participants use the shuttle service from and to the conference hotels.

Here is the information about the conference hotels:

+++++
